- b. drawing a pension from the New York State Retirement System; or
- c. drawing a pension or disability benefit under Social Security.

If a retiree relocates to an area that does not have reciprocity or affiliation with one of the plans listed in Section 9.1, he/she may join a health insurance plan of their choice. If a retiree chooses to subscribe to a higher cost plan, the Town will contribute an amount equal to the amount it pays monthly for the Base Plan (whichever is higher), and the retiree will be obligated to pay the premium difference, if any. Total monthly payment will be made by the Town directly to the health insurance plan provider. The retiree must submit to the Town their portion (if applicable) of the monthly health insurance premium payment by check or money order. This payment must be received by the Town Personnel Department by five o'clock (5:00) p.m. on the twentieth (20<sup>th</sup>) of each month to secure coverage for the following month. In the event payment is not received by the twentieth (20<sup>th</sup>) of the month the Town will take the necessary steps to cancel the policy at the end of the current month.

#### 9.8 Flexible Spending Account (FSA)

As part of those negotiations, the Town must provide the Union information that the Union reasonably requests, including but not limited to, actuarial reports, necessary for the Union's consideration of the issue.

If a resolution is not reached after sixty (60) days, the parties will engage in an expedited arbitration proceeding in which the arbitrator will be empowered to modify the Agreement, to the least extent necessary, to resolve the legal compliance issue.

The parties agree that any arbitration hearing(s) under this paragraph will take place within thirty (30) calendar days after a failed attempt to reach a resolution as set forth above. If an arbitrator is selected but cannot hear the matter on a mutually agreeable date within thirty (30) calendar days after he or she is notified of his or her appointment, or if the selected arbitrator is otherwise unavailable, either party may demand that a new arbitrator be selected.

The process to select an arbitrator shall be as follows: the Town and the Union will meet within three (3) calendar days after the failed attempt to reach a resolution and each party will present a list of three (3) proposed eligible arbitrator names at this meeting. If an arbitrator name appears on both lists, that person will be selected as the arbitrator. If more than one name appears on both lists, then the arbitrator name that appears on both lists that has a last name that begins with the letter earliest in the alphabet shall be selected to hear the matter. If no arbitrator appears on both lists, the Town and the Union will alternate striking one name from the list until only one name remains. - 20.5 The arbitrator shall have no authority to add to or subtract from or modify the provisions of any contract between the parties; but this in no way shall limit him in the interpretation or meaning he may place upon any of the provisions of any contract between the parties in rendering a decision and/or award.
